

Week 6: Probability

Computing Assignment 1 Complete Computing Assignment 1.

Probability Theory Make sure you read **chs. 13 and 14** of FPP and do the assigned review exercises [here](#).

Finishing Up Make sure you have completed the entire assignment. Then complete the HW questionnaire, quiz, and letter on Canvas. **The week, you must also submit the computing assignment.** These are due by Friday at 11:59pm. Please remind yourself of the standards of academic honesty as you complete the graded assignments.
